Society of Government Meeting Professionals

SGMP.org

SGMP membership provides access to specialized government-based industry leaders, resources and connections. Grow your network through national referrals and events!

Opportunities are waiting for you!

Experience SGMP Education

Stay ahead of the curve with monthly webinars and a **National Education Conference & Expo (NEC)** that showcases both the latest in relevant information and offers opportunities for suppliers and planners to network. The NEC is the premier event as the only U.S. association focused completely on government meetings and the professionals behind the scenes.

For more information regarding upcoming events, see our full calendar on sgmp.org

Designed for YOU

Serving government meeting planners, contract meeting planners, hotel/property sales teams, and technical service professionals who work within the meetings industry.

Become a **Certified Government Meeting Professional** to spotlight your government expertise to potential clients and employers!

Build Your Network

Connect with colleagues locally through SGMP chapters and attend chapter events throughout the year.
