- SGMP technical support will be onsite to help you claim credits.

How to Track Your CE Credits

Tracking credits has never been easier.

1. Be sure to bring your personal mobile phone!
2. Visit <https://learn.sgmp.org/products/national-education-conference-2025>
3. Login to your CE account with SGMP – this is the same info as your member account!
4. Choose the session you are attending.
5. Enter the code on the main screen into the form that appears at the link.
6. You will be awarded credit for the session & it will automatically appear on your SGMP CE transcript.

No papers/signatures will be necessary. We will have backup printed materials onsite for those who cannot track credits using our new digital system.

Overview

[Activated](#)

As AI continues to transform the world, event planners who work with government and public sector organizations have a unique opportunity to play a pivotal role in driving this change. This session, led by digital transformation expert Sharon, will show how event planners can create impactful events that help public sector leaders harness AI as a tool for innovation. Traditionally seen as slower to innovate than the private sector, the public sector is now in a position to take bold steps with AI—especially with the right strategic direction.
