According to Julian Huerta

Who/What influenced you to become involved in the government meeting industry? My first Director of Sales. She pushed me to learn more about our markets and how fun government planning can be.

Share an accomplishment that you are very proud of...Being nominated for Supplier of the Year, Culinary Award and elected Treasurer in a very short time span. Having only joined two years ago, it's great to feel recognized and part of the team!

How would you prepare for the future success of the government meeting industry? Paying attention to market trends and knowing the business is crucial. Always communicate with your clients to see where they are and what they're hearing. Never be caught off guard!

He makes everyone feel included and at ease. His career shows his talent and work ethic. He is responsible for producing our quarterly publication, handling of the advertising, and coordinating all facets of the project. Most individuals would give up the responsibility of Newsletter Chair if they were elected Treasurer of the board, but not Julian. He is expertly handling his new responsibilities with the old and does so with a smile.
