According to Lindsey Rohrbaugh

Who/What influenced you to become involved in the government meeting industry? My mentor Tyler James encouraged me to join SGMP upon accepting a position in Destination Sales at Visit Fort Collins. I recall him saying, "this group has taught me a lot and hosts some of the best relationships in the industry!" I would say I strongly agree.

Share an accomplishment that you are very proud of...*Personally- My biggest accomplishment this year was competing in my 5th Triathlon as an Athena Athlete.

*Professionally- I was recognized as one of Northern Colorado's 40 Under 40 in 2016. I am still so proud of this accomplishment and consider it a big responsibility to be a part of such a talented group.

How would you prepare for the future success of the government meeting industry? Relationships continue to produce ROI for the meeting industry. To best prepare for the future success of government meetings, I believe these relationships would be even more critical to establish and strengthen as trends, regulation, requests and overall needs of meetings are continually changing.

Lindsey has been an active member of the Rocky Mountain Chapter from the day she joined. Her first big introduction to the chapter was at our Annual Fall Education Conference. She introduced herself to everyone and joined in all the activities. In fact, she won one of the prizes in the bowling contest. She continues to be an active, outgoing, friendly member of the chapter. She donates to each of our silent auctions and sponsors the hospitality suite at the fall conference. She is a mover and shaker and I am excited to see where she takes us next!
